

Professional learning for whole school approaches to teaching and learning in H&PE

ACHPER (SA) has a group of experienced teachers who can visit your school and deliver quality and relevant professional learning on demand. Why not book ACHPER (SA) for your cluster PD day and share costs across a number of sites! Funding can be gained through DECD partnerships and cluster groups.

Tailor made professional learning for both Primary and Secondary teachers

On behalf of ACHPER (SA) - The Australian Council for Health, Physical Education and Recreation, SA Branch Inc our team of consultants have been conducting part and full day workshops in which teachers are engaged in hands-on experience of PE teaching and learning at their own sites. Recent workshop topics include:

- Developing an effective game centred teaching approach
- Effective Behaviour management strategies
- Moderating student achievement in HPE R-8 and 7-10
- Developing Fundamental Movement Skills in Primary Schools
- Strategic curriculum planning
- Effective Leadership for your School in HPE
- Knowing, Understanding and Enacting the H&PE Australian Curriculum in your school
- Enabling sequential learning through student centred pedagogical approaches across the Australian Curriculum standards R- 7 or 8-12
- Designing effective student centred learning and assessment tasks
- Programming for H&PE
- Developing a Quality PE program
- General capabilities in H&PE
- Approaches to Wellbeing in HPE
- Support for school sport coaches

ACHPER (SA) CONSULTANCY TESTIMONIALS

“We created a full day program, with three sessions running concurrently and invited schools in the area. “After a productive day staff are now keen to continue their development of PE and Health within ACARA and hopefully this day will become an annual training and development day to enhance the delivery of the subject.” Shane Masson, PE/Sport Coordinator, **Tumby Bay Area School, Central Eyre Cluster**.

“Thanks again for your work with us. We came away with exactly what we were after, some thinking and great discussion about Phys Ed and what we do in our school. We will continue working along these lines in future sessions amongst ourselves throughout the rest of the year.” Casey Freeman, Health & PE Coordinator, **Unley High School**

“We coordinated other schools in our partnership to attend a half day session. “It was perfect for our staff, and we hope it has generated some new enthusiasm for physical education at our site.” Julie Stevenson, Acting Deputy Principal, **Goolwa Primary School**

“We had a great training day yesterday, with lots of discussion about teaching and learning in Health and PE.” Lyn Ferenci, Principal, **Hallett Cove South Primary School**.
