

SECONDARY YEARS ACTIVITIES, TERMS 3 & 4, 2011

ACHPER (SA) SECONDARY YEARS CONFERENCE

Monday & Tuesday 12th & 13th December 2011 - Week 9, Term 4

This conference will offer best practice strategies and programs specifically selected for Secondary Health & Physical Education to help you to effectively engage your students in Physical Education. Join us for lots of innovative ideas and practical tips for your ongoing work!

A program and registration information will be out soon!

NET SPORTS SEMINAR

2nd September, 2011

A practical program for teachers and coaches of students from Years 5-10 which is aimed at skills involved in sports requiring a net to play!

A program and registration information will be out soon!

***be active* PHYSICAL EDUCATION WEEK**

14th - 18th November, 2011 - Week 5, Term 4

We invite you to promote active and healthy living in your local school community and join over 40,000 participants across SA in 2011 to celebrate the benefits and importance of physical activity and healthy eating in the school community!

More detailed information of the week will be released in mid term 3, so we invite your participation and ask you to keep the dates free!

ACHPER (SA) LEADERSHIP FORUM

Term 4

This one day seminar is an opportunity for leaders in Health and Physical Education to come together to discuss a range of critical issues, leading and managing change, models of change processes and current issues and challenges involved in advocating for Health & PE.

A program and registration information will be released soon!

YEAR 12 PHYSICAL EDUCATION STUDENT ENRICHMENT DAY

Term 3 School Holidays, 4th October, 2011 Concordia College

This session a concise and rewarding Year 12 revision session to support Year 12 PE students from a range of experienced teachers. This year will book out quickly, so we encourage you to promote this valuable activity to your year 12 students.

ACHPER (SA) PROFESSIONAL DEVELOPMENT CONSULTANCIES

We can facilitate tailored Professional Learning activities and school specific programs. Some popular sessions include game sense approaches, effective teaching approaches, ideas for quality HPE program and practical offerings.
