

27th ACHPER INTERNATIONAL CONFERENCE

Moving, Learning & Achieving

Prince Alfred College, Adelaide, South Australia

18 - 20 April 2011

Please join us in Adelaide, South Australia at the 27th ACHPER International Conference, April 18, 19 & 20 2011.

Take the opportunity to meet and network with a variety of Health, Physical Education and Recreation professionals from across Australia and overseas.

The Conference theme is...

“Moving, Learning & Achieving”

Share knowledge and experience by being part of this great conference supporting the work of all who share a passion for health and physical education.

Visit www.achper2011.com for more information.

The Opportunity

ACHPER invites you to attend this significant conference to hear from cutting edge National and International leaders in Health & Physical Education. The program will feature a range of formats including customary practical and theory sessions, keynote speakers, poster presentations, interactive grass roots presentations, round-table discussions and 20 minute presentations.

The Conference will be held at prestigious Prince Alfred College during the school and tertiary holidays.

This opportunity will offer a diverse and varied approach to ACHPER professional learning. The 27th ACHPER National Conference will be global in outlook yet local in context as we strive to learn from leaders in Health & Physical Education from across the world.

We invite educators, post graduates and PhD researchers of Health & Physical Education to submit papers, posters or workshops to the ACHPER (SA) office on or before COB Friday, 10th September 2010. More information available at www.achper2011.com

Moving, Learning & Achieving

Prince Alfred College, Adelaide, South Australia

18 - 20 April 2011

Call for Papers

The 27th ACHPER International Conference Program Committee invites submissions for presentations. The conference theme is 'Moving, Learning and Achieving' with the sub themes indicated below. Please indicate on the Conference Submission Details which of the sub themes best aligns with your presentation and nominate the length of time for your proposed session. Presentations will be structured in concurrent sessions of 20 minutes, 45 minutes or 90 minutes in length. You are encouraged to make your presentation as engaging and interactive as possible. The Program Committee reserves the right to allocate presentations to specific sub themes and to nominate the type of session based on the content, time and space available.

MOVING, LEARNING, & ACHIEVING

... an active and healthy life reflecting resilience, optimism and well-being

... new sport and education strategies and links

...improved motor learning, competent players and participants

... enhanced early childhood development

... a more effective, active curriculum

... increased personal responsibility and quality social interactions

...quality outdoor journeys and recreation pastimes

ABSTRACTS - (Submissions Procedure)

You can submit your abstract online from 1st July 2010 to the Conference Website: www.achper2011.com. Abstracts will be submitted in Microsoft Word files (.doc) with a maximum of 300 words. Once received, abstracts will be double blind reviewed and reviewers' comments will be provided in due course. Papers that are accepted are eligible to be published in the Conference Proceedings.

PAPERS - (Submissions Procedure)

Papers must use APA referencing, and be a maximum of 5 A4 pages (single spacing) including diagrams or 3,000 words. Revisions to your paper may be necessary for it to be included in the proceedings. Please note media files are not required for the reviewing process. If your paper is accepted and you wish to incorporate media files, the Committee will request them at the final publication stage.

WORKSHOPS- (Practical Involvement)

Workshop sessions will be either 45 or 90 minutes in duration. If you are interested in presenting a workshop, a short abstract will need to be presented. Workshop presentations should be engaging and inclusive.

ACADEMIC POSTERS

Poster submissions in AO format (Height 120cm x width 90cm) may be submitted. An abstract must still be submitted. The abstract will include author title(s), and affiliation(s) to allow the planning committee to assign the poster to a sub-theme.

CONFERENCE SUBMISSION DETAILS

Please complete the Conference Submission Details located at www.achper2011.com and submit your abstract electronically by **10 September 2010** via the website. Please note: if you would like your paper to be published in the online proceedings, papers are required to be submitted by 1 February 2011.

Registration information will be available on the Conference website in July 2010.
