

Aboriginal Games Workshop

This after school practical workshop is designed for Primary and Secondary teachers of HPE as one way for you to begin to engage with the Australian Curriculum's Aboriginal and Torres Strait Islander Histories and Cultures, Cross Curriculum priority. Through these games and activities, you can begin to deepen students' understandings of one of the world's oldest continuous living cultures.

This session will provide a range of traditional indigenous games from the Yulunga resource in preparation for celebrations and activities that take place in schools across the nation during NAIDOC Week 2-9 July 2017.

The games selected for this workshop come from many regions across Australia and will enable students to learn and refine a range of fundamental and specialised movement skills.
