

Are you teaching PE this year and haven't done so for years? Or have you never taught PE before? If this is you then this is the Seminar you've been looking for! At this workshop you'll get the opportunity to work with experienced teachers who can provide you with valuable advice and suggest a range of useful support materials.

During this session there will also be opportunities to begin networking with other teachers of PE to support you during the coming year.

This workshop is designed for teachers of primary school PE who would like to increase their skills, knowledge and understanding in this learning area.

The session will focus on:

- Positive Learning Environment
- Organisation, planning and management
- Movement skills, games and sports
- Planning your physical education program
