Stage 1 Professional Learning

ACHPER (SA), with a group of teachers who have experience in the new Stage 1 course, will facilitate Professional Learning for PE teachers through the provision of seminars in early Term 4 and electives at the Secondary PE Conference. The “Learning Requirements & Assessment Design” seminars are designed to be the ‘next step’, after the SACE Implementation seminars, in preparing for the new course:

- Learning Requirements & Performance Standards: what does success in the new course look like? What does the evidence for this look like?
- Assessment Design: AT1 & AT2 – designing assessment for learning that will best equip students with the skills and dispositions necessary for success at Stage 2

Four “Learning Requirements & Assessment Design” seminars will be held in weeks 3 and 4 during term 4.
