

Attn: HPE Faculty Leaders & HPE Teachers Yrs 8-12

Designing assessment tools for Australian Curriculum: HPE (Secondary)

Are you worrying about teaching and assessing student learning in both strands of the AC: HPE? Then this is the workshop that you have been looking for.

This workshop led by Rick Baldock (ACHPER (SA)) and Katie Liebelt from Clare High School, will support and challenge you to develop quality assessment tools to make effective judgments about student learning using the AC: HPE Achievement Standards.

We have designed a 'hands on' workshop where you will be given time to:

- Unpack the AC: HPE Achievement standards relevant to you and your teaching
- Share and investigate teacher developed assessment tasks and review your school's assessment tasks

We have designed this workshop for secondary school Health and Physical Education teachers.

NB The workshop will be most effective for you and your school when at least two staff members from your faculty attend so that you can begin to plan quality assessment tasks across your school.

Certificates of attendance including hours completed and AITSL Standards for TRB will be available to participants.

When: Monday, 18 June 2018 (Week 8, Term 2)

Time: 8:30am - 11:30am

Where: Education Development Centre (EDC) Milner Street, Hindmarsh

Presenters: Rick Baldock, ACHPER (SA) , Katie Liebelt, Clare High School

Cost: **ACHPER Members** - \$110.00 (includes GST) | **Non Members** - \$200.00 (includes GST) or \$250 (includes GST & ACHPER Membership) (includes morning tea)
