

Game Sense Seminar #1

Net and Wall Games

Developing a thematic curriculum for PE using game categories: Exploring the Net, Court and Wall games category.

In 2018, ACHPER SA is conducting a series of four one-day workshops focusing on thematic curriculum for Physical Education using game categories. The first workshop in the series explores the Net, Court and Wall game category. A thematic approach for Physical Education is consistent with aspects of the AC: HPE Achievement Standards and the key ideas of a strengths based, educative focussed Physical Education curriculum promoting education in, through and about movement.

This workshop will address the concepts of: Long term player development; deliberate practice and deliberate play; principles of play; movement concepts, and key questions as the education architecture that can be used to construct a thematic curriculum for primary or secondary PE.
