

Leading and Building Teams

A seminar for teachers in Primary and Secondary school settings. Where do you begin when leading a team? Leading a team is sometimes daunting and always a challenge. This seminar will investigate essential elements of team building including:

- How to begin the year
- Defining your purpose
- Bringing staff together
- Introducing and driving new agendas and priorities
- Building momentum
- Action planning and
- Evaluation

Another element for successful leadership is caring for the people you lead. This seminar will also explore the Teaching Personal and Social Responsibility (TPSR) in Physical Activity model and in particular how to best supports student students to lead others while displaying care and compassion, sensitivity and responsiveness that supports the well-being of others.
