

# Early Career HPE Teachers' Seminar

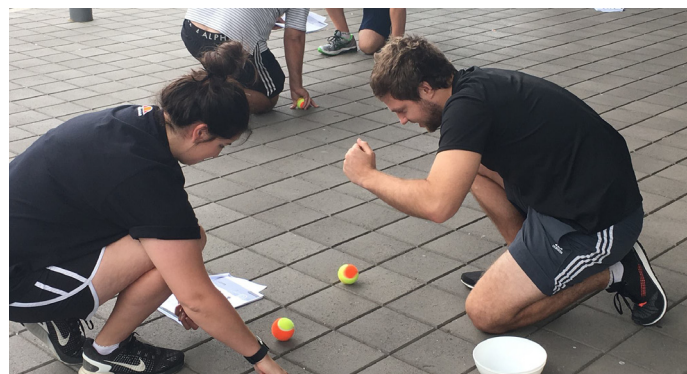

## Moving from Surviving to Thriving

The Early Career Teachers seminar is designed to support teachers in their initial years of teaching primary or secondary HPE. This workshop will provide practical support and strategies including the provision of a mentor to support you throughout 2019.

Using interactive discussion early career teachers will get to share their journey so far with early career HPE teachers from across South Australia. There will also be an opportunity to work with some of our most inspirational and experienced HPE practitioners who have a wealth of knowledge, experience, resources and insight to help you navigate the early stages of your career. A range of topics will be covered including:

- Programming and sequencing learning
- Evidence informed models of practice to support your teaching
- Behaviour management
- Assessment for learning
- Interacting with and reporting student learning to parents and
- Looking after you

Feedback from a 2018 participant:

“Sensational session. It was excellent to hear from experienced teachers and talk to other teachers in the same situation as me. I learnt many good things about behaviour management and positive reinforcement.”
