# Year 12 PE Resources for Students: Student Exam & Test Revision Guide

***Looking for the most comprehensive and supportive tool for Year 12 PE? Look no further, this resource has been developed specifically for you.***

***This Revision Guide has been updated for students in SA for 2016!***

The Year 12 PE Student Exam & Test Revision Guide has been updated for the 2016 Course. This resource will support students in writing exam and test answers and feature key tools for comprehending the question, planning responses and understanding marking schemes. The 2016 version will feature exam questions and answers, including student response exemplars - strong and poor responses. This resource has been developed by current experienced year 12 PE teachers. The Year 12 Physical Education Exam and Test Revision Guide is user friendly and includes effective learning strategies and explores key ideas and skills, using feedback from the SACE chief examiner to enhance marks.

Developed by experienced Physical Education teachers and coordinated by ACHPER (SA) - the professional education association for Health and Physical Education teachers.

Questions included in easy to follow student workbook which challenges students and reinforces concepts with lots of data included in the questions which require analysis, interpretation and application. New questions will be added to each section in the 2016 Revision Guide.

This resource will complete the current program in your school. We encourage you to promote this book to your students.

**Cost:** \$32.00 (including postage and handling)

**Availability:** Available Term 2 to assist with revision

*As the professional association supporting Health & PE educators, ACHPER (SA) and its members develop resources and activities for teachers and students in SA. All monies raised stay with ACHPER (SA) to further support local teachers and students.*

*Comments from previous students:*

*"The Revision Guide assisted with revision"*

*"Value added to what I learnt in class"*

*"Great revision tool"*
