

Play with Purpose: For Fundamental Movement Skills Teaching

A teaching guide for early years and primary educators for physical education and daily PE

Shane Pill

This resource is a South Australian first that was developed to support educators in planning, delivering and assessing early childhood FMS. This resource has been designed to support educators and enable all students to develop and refine their FMS. Photos, illustrations, and observation checklists are featured to support the development and achievement of these important skills. This resource has been funded by SACPSSA and managed by ACHPER (SA).
