Year 12 PE Resources for Teachers

Year 12 PE PowerPoint Presentations (linked to Workbooks)

Teachers can pick and choose what they deliver to their students, glossing over some parts or following from start to finish, whatever suits their current cohort best. Comprehensive and dynamic presentations that will cover Year 12 PE course concepts in an educational and creative manner. The entire course ready to pick up and run with - Exercise Physiology and The Acquisition of Skills and the Biomechanics of Movement. **The PowerPoint/Workbook sets have been updated for 2018 and is a great resource for those who are teaching the subject for the first time and/or those have very little support in their school. Ensure you have the matching set of PowerPoint/Workbooks.**

Available on copy protected USB. *Linked student workbooks also available (see below).*

Cost: ACHPER Member - \$210

Non-Member - \$270

Updated version - \$100 Members | \$130 Non-Members **(for those who purchased previously)**

Availability: Available Term 1

Year 12 Physical Education Student Workbook (linked to PowerPoints)

The student workbook simply follows the PowerPoints and reinforces key concepts and offers an innovative opportunity for students to learn. The entire course including - Exercise Physiology and The Acquisition of Skills and the Biomechanics of Movement - available now. Questions are set out in an easy to follow student workbook which challenges students and reinforces concepts and lots of data included in questions which require analysis, interpretation and application. **The workbooks have been updated to include additional questions, video links and reflect the 2018 course. Ensure you use the matching edition to your PowerPoint.** The readability of the workbook has been made more student friendly according to frequently used readability measures. It offers teachers and students a comprehensive learning framework that build basic concepts and then extends this through the use of questions and case studies written in a manner reflective of the final exam.

Cost: Complete set of Workbooks - \$40 (*per student*)

Availability: Available Term 1

(All prices include postage and handling and GST)

Year 12 PE Resources for Students: Student Exam & Test Revision Guide

Looking for the most comprehensive and supportive tool for Year 12 PE? Look no further, this resource has been developed specifically for you.

The Year 12 PE Student Exam & Test Revision Guide will support students in writing exam and test answers and feature key tools for comprehending the question, planning responses and understanding marking schemes. The 2018 version will feature exam questions and answers, including student response exemplars - strong and poor responses. This resource has been developed by current experienced year 12 PE teachers. The Year 12 Physical Education Exam and Test Revision Guide is user friendly and includes effective learning strategies and explores key ideas and skills, using feedback from the SACE chief examiner to enhance marks.

Developed by experienced Physical Education teachers and coordinated by ACHPER (SA) - the professional education association for Health and Physical Education teachers.

Questions included in easy to follow student workbook which challenges students and reinforces concepts with lots of data included in the questions which require analysis, interpretation and application.

This resource will complete the current program in your school. We encourage you to promote this book to your students.

Cost: \$35.00 (including postage and handling)

Availability: Available Term 3
