3. Create an ACHPER account – ensure you have completed all the information with the * before it. Click save once done.

Notes: **Organisation is the School you are currently working at. If you are studying, type in '* Tertiary Student'** and select your University. Your organisation may be already in the system. If so, it will come up with suggestions whilst typing. If it doesn't and you input the address, it may come up with a "Use this address" box. If so, select the suggested. You will need to re-enter your password if it does this.

The screenshot shows the 'Create Account' form. On the left is a sidebar with 'Become a Member' selected. The form fields are: *First name, *Last name, Informal name, Title, *Organization (with a dropdown menu), *Email, Phone, Mobile phone, *Country (with a dropdown menu set to 'Australia'), *Address, *City, *State (with a dropdown menu set to '(None)'), *Postal code, Username, *Password, and *Confirm password. A note at the bottom states: 'The password must be at least 7 characters long and contain both letters and numbers.'

4. Select the applicable member type by clicking the blue button
