

Early Childhood Seminar

Play with Purpose: FMS

Aimed at Early Years & Primary Years Teachers, this seminar will explore both the theory and practical activities to effectively design learning programs to enhance Fundamental Movement Skills (FMS). Key elements of this professional learning workshop will include assessment, moderation, programming & planning. A must for all early years teachers and Primary PE teachers. A highly popular and hands on seminar.

The Seminar will cover:

- The ACHPER (SA) & SACPSSA FMS Resource **(Free copy for each attendee valued at \$40)**
- Australian Curriculum: HPE: Essential components of a quality PE program
- Two ways of assessing FMS - continuous skills, explosive skills
- Learning & teaching FMS - run, dodge, vertical jump - skill elements and classification of skills
- Learning & teaching FMS - two handed roll & two handed ground ball pick up, underarm throw & two handed catch, kicking a ball on the ground & trapping a kicked ball by foot, two handed dribble (ball bounce)
- Programming & Learning Design - Choosing the focus skills and identifying learning intentions.
- Integrating FMS into the daily program
- Scope and sequence of your program
- Teaching FMS - One handed dribble, overarm throw, kicking a ball dropped from the hand, forehand hit, two handed strike
- Explicit links will be made to the Australian Curriculum: HPE
